

SH-055B

detecting Peeping Camera, Bug, Cellular phone, Wi-Fi, Bluetooth, etc.

Applied with fuzzy scanning technology to detect cellular phone, 2-way radio, cordless phone, body bug and other radio frequency devices. Protect information being disclosed secretly or avoid being peep to protect privacy, and rid the disturbance of cellular phone communication within desired control area.

When to discover cellular phone, 2-way radio, cordless phone or body bug, SH-055B will broadcast the pre-recorded voice warning message to warn the illegal use of cellular phone or peeped camera. SH-055B has a **timer** for setting the warning message display interval. SH-055B also has a **volume control** for user to adjust the sound.

Specially designed for easy and simple use, which does not require complicated installation or any professional knowledge.

■ Features:

- Wide detecting range 50 MHz - 6.0 GHz covering all types of cellular phone, wireless camera, 2-way radio, cordless phone and other radio frequency devices.
- Air freshener type is available for any place, without others' awareness.
- User's own language for required warning voice message.
- Sensitivity controller can adjust working range.
- 100% legal use in all the world.
- Detects all kinds of cellular system, including analog (AMPS, TACS, NMT) and digital (GSM, DCS, CDMA, PDC, TDMA, PHS, PCS, iDEN).

■ Specifications:

| | |
|---------------------------|---|
| Detecting range | 50 MHz - 6.0 GHz |
| Dimension | L 98 x W 85 x H 245 mm |
| Weight | about 500 g |
| Power | 9V DC 1A switching power adaptor |
| Warning mode | User's voice warning message via built-in speaker |
| Warning timing | Once 1 minute ~ 3 minutes adjustable |
| Voice message | 20 seconds, recordable user's own voice warning message |
| Sensitivity Tuner | 1. Adjust detecting distance 2. Eliminate the environment interference |
| Detecting Distance | |
| 5.8 GHz Wireless camare | Up to 8 feet (regular 10mW camara) |
| 2.4 GHz Wireless camare | Up to 25 feet (regular 10mW camara) |
| Cellular phone | Up to 40 feet |
